

Bring a friend

Berlitz[®]

Bring a friend and get a reward!

- Do you enjoy learning a language at your local Berlitz Center?
- Do you feel that we support you, motivate you, and contribute to your success?
- Do you speak French, German, Luxembourgish or English with more confidence every day?

Then why don't you tell a friend about your language lessons and encourage them to do the same?

We offer a free trial lesson for any of your friends and you get a bonus:

“Bring a friend” and let them experience the Berlitz Method.

Once a friend enrolls in a language course at our center, we will reward you with a voucher by automatically adding four free units to your current contract.

**Please note the trial lesson is 45 minutes and the offer is valid for one friend only.*
